

RUNNELS

June 9, 2017

Dear Senior Parent,

For senior yearbook portraits this year, we are making a change.

We are requiring Runnels seniors to have their yearbook portraits taken wearing our school's traditional white cap and gown and royal blue stole. In addition, boys must wear a collared dress shirt and tie. The photo studios listed below are aware of this change and have white caps and gowns and blue stoles on hand for your photo session.

Examples: Cap and Gown Portraits

We are asking that you and/or your senior call one of these portrait studios to schedule an appointment for the cap and gown portrait this summer. Bookings can fill up quickly, so you are advised to call early for the best choice of dates. In order to meet our yearbook deadline, senior portraits must be taken by August 14, the first day of school.

For the purposes of the yearbook, you are only required to purchase one high resolution digital cap and gown portrait; however, you may want to buy additional poses (letter jackets, on location settings, etc.) from these photographers. The studios offer a wide range of prices and photo packages. Samples of their work are available on the websites listed below. (This letter and all senior requirements are on our school website, www.runnels.org. (Click on "School Forms" [the photo of the "R" on the left side of the page] and scroll down to "Seniors Only."))

When you contact the portrait studios for an appointment, please tell them you are from Runnels School. The photographers have agreed to send digital files of Runnels cap and gown portraits to our yearbook office (news@runnels.org).

Thank you for helping us make sure that your student's photo is included in their senior yearbook! If you have any questions or concerns, please call us at 225-215-5706 xx 036 and ask to speak with Allison Wrenn or Wendy Milam.

Best regards,

Allison
