

Looking Forward to a Great Year

"Our first day of school was fabulous," said Conchetta Foshee, who stepped into the role of Jr./Sr. High Principal over the summer.

"The kids and teachers have been great," she added.

"We're still working out details, but we're out and about every day checking on things and trying to make things happen and having a great time," she said.

Her appointment as principal was announced by Founding Headmaster Dr. L.K. Runnels at a meeting of the Runnels School Corporation in June.

Dr. Runnels, who has been our Jr./Sr. High Principal since 1999, said that he will continue to serve as headmaster for all four divisions of the school and maintain his position as President of Runnels School Incorporated.

The change he explained, is one of the "first steps" in the necessary process of transitioning to the next generation of leadership at Runnels.

At the meeting, Dr. Runnels also

announced that Monica Bryan, formerly the Director of Curriculum and Instruction for the Jr./Sr. High School, and Dana Schlotterer, Director of Student Services for the High School, would become assistant principals.

He said that he has every confidence that the new principal and assistant principals know the students and the faculty, and share his vision for the school going forward.

A member of the Runnels faculty since 1995, Mrs. Foshee has served as a teacher, guidance counselor, and assistant principal. She holds a bachelor's degree in Psychology from LSU, with minors in Sociology and Social Work, and a master's degree from the LSU School of Social Work, with an emphasis on Clinical Counseling/Families and Children. At Runnels, she will continue to serve as the guidance counselor for our junior and senior high students.

She said that she is looking forward to a great school year. "The admin-

On a "Walkabout" in Novak Hall the first week of school are Jr./Sr. High Principal Conchetta Foshee (center) and assistant principals Dana Schlotterer (left) and Monica Bryan.

istrative team we have on board in the junior high and high school will continue to work smoothly with our students and faculty."

New assistant principal Monica Bryan has been at Runnels for nine years, working as a high school science teacher, AP science teacher, and an administrator in the Jr./Sr. High. She earned an undergraduate degree from U.S.L. in Secondary Science Education and a master's degree in Education from the University of See "Great Year" p. 2.

Brigadoon Features Caledonian Pipe and Drum Corps

Brigadoon, the first Broadway success for the legendary team of Lerner and Loewe, comes to the stage of the Runnels Theater for the Performing Arts Aug. 24, 25, and 26 as a Runnels Theater community summer production.

With a cast and crew drawn from the extended Runnels School community and the Greater Baton Rouge area, the

musical features a live orchestra and bagpipe music provided by the Caledonian Pipes and Drums Society.

First produced on Broadway in 1947, the musical was made into a successful MGM film starring Gene Kelly and Van Johnson in 1954. The story revolves around two Americans, Tommy Albright and Jeff Douglas, who are vacationing

in the Highlands of Scotland. They lose their way in the Scottish mists and come across a mysterious and quaint little village called Brigadoon. They are quickly drawn into the merry events taking place in the town and charmed by its residents. Complications arise when Tommy falls instantly and irrevocably in love with Fiona, a girl in Brigadoon. The tension mounts as Tommy and Jeff learn that the mysterious little village is under a spell and miraculously comes to life for only one day every one-hundred years.

A charming blend of music, whimsy, mystery, and romance, the show See "Brigadoon," p. 2.

Danielle Adams as Fiona MacLaren.

John Runnels as Mr. Lundie with Khayenne as his dog.

Brigadoon Opens Aug. 24 (continued from p. 1)

includes the familiar ballads, "Almost Like Being in Love" and "The Heather on the Hill" as well as a repertoire of funny, plaintive, and foot-tapping melodies that you will long remember.

Featured actors are: Jason Walker as Tommy Albright, Brett Beoubay as

Jeff Douglas, Danielle Adams as Fiona MacLaren, Kaitlyn Westerhaus as Jean MacLaren, Claire Gowdy as Jane Ashton, Beth Morrison as Meg Brockie, John Runnels as Mr. Lundie and Khayenne as his faithful dog, Col. James Broussard as Andrew MacLaren, Lance Bordelon as Charlie Dalrymple, Jonathan Kinney as Harry Beaton, Jean Martinez as Frank the

chael Martinez, Trumpet; Alex Stansbury and Sam Matthews, French Horn; Alex Matthews, Trombone; John Baird, Bass; Bob Cameron, Tuba; and Gwen Thompson, Piano.

Runnels Jr./Sr. High drama department head Ann Dalrymple is the director, Advanced Band Director Jill Swetnam conducts the "Brigadoon Orchestra," and Chris Pyfrom provides vocal direction for the cast.

Show times are Friday, Aug. 24 at 7 pm, Saturday, Aug. 25 at 7 pm, and Sunday, Aug. 26, at 2 pm.

Tickets purchased in advance are \$15 for adults and \$12 for students. At the door, all tickets are \$20. Purchase your advance tickets now by calling the Runnels High School Office at 225-751-2192.

Seventh grade violinist Erina Buchholz warms up before a rehearsal.

New Directors for Runnels Preschool

Assuming the duties of long-time Preschool Director Molly Hightower, who retired in July, are Karen Runnels and Janice Leger.

Mrs. Karen Runnels has been the assistant preschool director and pre-kindergarten director for several years, and Mrs.

Karen Runnels

Leger has served as a preschool lead teacher and preschool teacher at Runnels for several years. Assistant Head of School Gladys Runnels will continue to serve as Preschool and Elementary School Principal, a position she has held since 1975.

Janice Leger

Bartender, Mark Stanfield as Archie Beaton, Kenny Ostrom as Angus MacGuffie, Ann Ostrom as Kate MacGuffie, Griffin Gowdy as Maggie Anderson, Brian Clark as Sandy Anderson, and Scott Brandenburg as MacGregor. The ensemble

Sophomore Alex Stansbury rehearses for "Brigadoon."

includes: Gaye Brandenburg, Suzi Brown, Michelle Dearie, Monnine LaBauve, Blane Mader, Cami Russell-Clark, Griffin Gowdy, Mackenzie Byrd, Madison Page, Kim Lam, Martin McConnell, Julia Justus, Jessica Martell, Mike Gallant, Sara Brandenburg, and Coco Pellisier. The ballet dancers are members of the Runnels Jr./Sr. High ballet classes.

The *Brigadoon* Band members are: Erina Buchholz, Violin; Rebekah Burns, Flute Connor Matthews, Oboe; Amelie Kharey and Irina Geno, Clarinet; Mi-

Houston.

Mrs. Schlotterer's credentials include a bachelor's degree in College Student Development and a master's degree in Higher Education Administration, with an emphasis on College Student Affairs, from the University of Alabama. She has been at Runnels since 2005, serving as a teacher, college adviser, alumni relations liaison, and a high school administrator.

Used Book Round-Up ... The Elementary Library is accepting used books for its "Used Book Sale," scheduled for the week of September 10. Please bring books (no text books, please) you'd like to contribute to the library in boxes or bags marked "Used Book Sale." The Used Book

Sale hours are listed in the school calendar at www.runnels.org.

Cross Country Coach Makes List of Top 25 Inspiring Coaches

Julie Fink, the head Cross Country coach at Runnels, has been selected as one of the top 25 finalists in the second annual Brooks Inspiring Coaches Program sponsored

Julie Fink

by Brooks Sports, Inc. The finalists were chosen from a field of 1,300 track and cross country coaches from across the nation.

As a finalist, Coach Fink received \$5,000 worth of running gear for her team along with \$500 in cash for team expenses.

Coach Fink, who also serves as assistant coach of our Track and Field team and head coach for Indoor Track team at Runnels, was nominated for the award by a team parent, who noted in his recommendation that Coach Fink had been instrumental in bringing the sport of distance running to Runnels.

In 2006, she started a running club on campus, which grew into a Cross Country team the following year. Track and Field and Indoor Track came along three years later.

Coach Fink and her husband, assistant Cross Country coach Linn Fink, also spearheaded the fund-raising for and construction of the new 800 meter jogging path named "Trail of Dreams" on the school's Harrell's Ferry Rd. campus. The scenic trail officially opened last October at the school's annual "Fun Run," a two-mile walking/running race sponsored by the Cross Country team.

The addition of the Trail of Dreams recently helped Runnels earn recognition as a "Fit-Friendly" school by the American Heart Association.

Under her leadership, the Cross

Country team at Runnels has seen great success. Two distance runners won athletic scholarships and were recruited by college teams.

Coach Fink said she is excited and "stunned" to have made it into the top 25 in the competition.

"Just to be nominated by a parent from my team made me feel very honored," she added.

Coke Program Offers Rewarding Experience

As eighth grader Regan Dean started the long-term preparations for her Bat Mitzvah, she decided she wanted to include the performance of a charitable act, which is a tradition in her faith.

A friend told her about the My Coke Rewards program, which allows consumers to accumulate virtual points that can be donated to a favorite non-profit organization or charity. The points are redeemable for merchandise such as school supplies, electronics, athletic equipment, or books. Regan decided to work on collecting My Coke Rewards points for Runnels and one of her mother's favorite charities, the Special Olympics.

To earn points, she went to the My Coke Rewards website and entered special codes located on bottle caps, cans, and cartons of Coca-Cola products, which she collected with the help of her friends and family. (She wants everyone to know that she didn't drink all that Coke herself.)

To earn points in the program, Regan entered every single code from the Coke product packaging herself -- one code at a time. At the end of nine months, she had 10,000 points to share.

She graciously donated nearly 6,000 My Coke Rewards points to

Regan Dean

Runnels, just about doubling our current point value, and 4,000 points to the Special Olympics.

Regan said she hopes the points can be used for something the school needs.

Anyone is eligible to participate in the program at www.MyCokeRewards.com. To donate points to Runnels, select our school from the list of registered organizations.

Regan is the daughter of Diane and David Dean. Her Bat Mitzvah is at the end of August.

Are You Ready to Rock 'N' Roll?

"School House Rock Live, Jr." will be performed on the stage of the Runnels Theater for the Performing Arts by students in grades 1-6 on

Nov. 2 at 7 pm and Nov. 4 at 2 pm.

Tickets will be sold at Open

House for \$8.00. After Open House, advanced tickets can be purchased for \$10.00. At the door tickets are \$12.00. All tickets are general admission.

Sixth graders will have most of the leading roles in the show, said K-12 Theater Program Chair Neena Kelfstrom. She and elementary teachers Kristen Manning, and Cristin Ponjuan will co-direct the musical, with choreography by Brooke Yura.

And keep those blue suede shoes handy for our upcoming high school musical, *Grease*. Show dates are Feb. 22 and 23 and March 1 and 2 at 7 pm and Feb. 24 and March 3 at 2 pm.

Keep Those Labels Coming

Please remember to clip and bring in your General Mills Box Top Coupons, Community Coffee UPCs, and Campbell's UPCs. Labels can be dropped off in the Elementary Library.

Runnels Mom Wins Volunteer Award

Sherry Roper' recently received a Power of 9 Volunteer Award for her extensive work as a coach and mentor with the Girls on the Run program at Runnels School.

The Power of 9 Award, sponsored by WAFB, Capital One Bank, the Capital Area United Way, and Volunteer! United, spotlights the importance of volunteerism by honoring some of the exceptional people in our community who donate so much of their time and energy to helping others.

In a letter nominating Mrs. Roper' for the award, Baton Rouge Girls on the Run executive director Hydie Wahlborg said, "We are so thankful for Sherry's dedication to the program and the girls who have participated throughout the years. Her energy and enthusiasm are contagious. We are honored that she has given so much of her time to our organization and know that many, many girls have been inspired thanks to her commitment to Girls on the Run."

The national Girls on the Run program, which, so far, has reached 1,000 girls at various schools and organizations in the Baton Rouge area, offers girls between the ages of 8 and 13 training for a 5k run while leading them through a 20-lesson curriculum designed to enhance their health and well-being, and build a positive self-image. The program wraps up with an untimed 5k run.

The Power of 9 volunteer award winners will be honored at a luncheon at Boudreaux's in January.

Sherry Roper' (second from right, back row) with last year's Girls on the Run group.

Pam Culp loves her personal parking spot.

Assigned Parking Place for Miss Pam

Preschool and elementary secretary Pamela Culp received a surprise gift in honor of her 30th anniversary as a member of the Runnels School staff. "Miss Pam" was assigned a permanent parking space of her own on the Harrell's Ferry Rd. campus.

Dr. Kelly Runnels and Gladys Runnels presented her with a Runnels blue and white parking sign to make it official at the annual All-School Faculty Meeting held in the auditorium Aug. 8. She also got to pick her own spot. She chose the one closest to the flagpole right in front of the Elementary School Office.

She said that having her very own parking place was a "great gift" and that she "loves it."

"Miss Pam" is the only faculty or staff member besides Dr. and Mrs. Runnels (who have been at our school for more than 40 years) to reach the 30-year mark so far.

At the meeting, two more faculty/staff members were recognized for their years of service: P.E. Department Head Mary Camille Maddox for more than 25 years, and Assistant Admissions Director Sarah Livingston for 20 years at Runnels.

All three received lifetime passes (two free tickets) to all productions in the Runnels Theater for the Performing Arts and the Little Theater (Drama Room). Mrs. Maddox and "Miss Pam" also received restaurant gift cards.

Students Being Recruited for Pennington Study

Some of our fourth graders are joining children from around the world to participate in an international research program on childhood obesity coordinated by researchers at the Pennington Biomedical Research Center in Baton Rouge.

The ISCOLE Pennington study is a 12-nation survey of children's lifestyles. The countries involved are the United States, Canada, Australia, Kenya, South Africa, Brazil, Mexico, Colombia, China, India, Portugal and the United Kingdom.

The research will examine variables such as physical activity, diet, weight status, and school and home environments.

Runnels is one of 21 private and public schools in the Baton Rouge area participating in the study.

Heart Association Honors Runnels as "Fit-Friendly"

The American Heart Association recently recognized Runnels as a "Fit-Friendly" school and presented Dr. and Mrs. Runnels with a commemorative plaque. The recognition was based on the addition of the "Trail of Dreams" to the Harrell's Ferry Rd. campus last year and our participation in the Jump Rope for the Heart program.

We Sincerely Thank...

Amanda and Tri Lamb, parents of Ryan (grade 6) and Alan (grade 2) Lamb, for donating a train table to the preschool.

Maegan Daquano, grade 12, for painting two "Chicka, Chicka Boom Boom" trees at the preschool, one in the library and one in Ms. Dianne's classroom.

(Registration at 3 pm)

Cheer Squads Ramp Up Skills at Summer Camps

Both our varsity and junior high cheer squads stayed busy over the summer, gaining skills and winning accolades along the way. In addition to attending summer strength and conditioning programs at Runnels or local gyms, the varsity cheerleaders attended a four-day UCA cheer camp in July at LSU. All of the competitions took place at the PMAC.

The team earned three superior ribbons and one excellent. The Runnels team was also voted Most Improved Squad by the camp staff.

"I was so proud of how hard they worked and what great attitudes the girls had," said coach and sponsor Holly Wilder. "They were wonderful representatives of Runnels."

All of the 2012-13 members of the varsity cheer squad attended the camp. They are eighth graders Blair LeBleu, Riley Stewart, and CC Carruth, freshmen

Varsity cheerleaders are (front row, from left) Lauren Kahn, Blair LeBleu, Irene Lewis; (middle row) Grace LeBlanc, Riley Stewart, CC Carruth; (back row) Olivia Cassin, Amanda Bingham, and Jasmin Pizer.

Grace LeBlanc and Irene Stewart, sophomore Lauren Kahn, and seniors Amanda Bingham, Olivia Cassin, and Jasmin Pizer.

Meanwhile, the junior high squad, also coached by Mrs. Wilder, participated in a cheer camp on the Runnels campus at the end of July, perfecting cheers, chants, stunting and dancing. LSU Cheer Coach Kate Stone directed the camp with the assistance of LSU cheerleader Brittany Day.

Members of the junior high squad are seventh graders Emma Milneck, Kaitlyn Roy, Sara Brandenburg, Elizabeth Daigle, Natalie Wilder, Catherine Henning, and Alycia Boucher. Also on the team are eighth graders Savannah Sanders, Kristen Haller, and Rachel Yura.

The junior high cheerleaders thank the following parents for summer camp assis-

tance: Gaye Brandenburg, Anne Milneck, Chris Wilder, and Lisa Daigle.

The varsity cheer squad also extends its thanks to the many parents who helped with UCA cheer camp, including Jodi LeBlanc, Trina Carruth, Vicki LeBleu, Dana Kahn, MC Stewart, Lee Caplan, Patricia Pizer, and Jennifer Cassin.

At a program for parents on the last day of cheer camp at Runnels, junior high cheerleaders demonstrate some of their newfound skills. "Flyers" are seventh graders Kaitlyn Roy, (left) and Natalie Wilder.

2012-2013 Runnels Yearbook Order Form

It's time to place your order for the 2012-2013 Runnels Yearbook. Order early and receive a discount. For the biggest discount, order by Friday, Nov. 16, when the cost is \$55.00. From Monday, Nov. 19, through Friday, Jan. 25, the price is \$60.00. Thereafter, the cost of the yearbook is \$65.00. The last date to order is Tuesday, April 30. Below, please list the name and current grade/section of each student to receive a yearbook. Include your check, payable to Runnels School. Add \$8.00 and print the mailing address if books are to be sent to you. Turn in your order at any school office.

What's New Around School? When attendance was taken on the first day of school this year, 826 students had their names on our rolls. According to Admissions Director Carol Barback, we have 88 preschoolers, 345 students in grades K-6, 138 in junior high, and 255 in grades 9-12. The preschool enrolled the most students, 44, with elementary right behind with 43. The junior high and high school gained 53 new pupils.

Upon arrival, students on both of our campuses found a few changes in their surroundings. Besides the usual scrubbing, polishing, waxing, and painting that goes on every summer, some spaces were reimagined and refurbished.

At the preschool, the front foyer, office, and library were redecorated and furniture was added or rearranged. "Now you can stand in the foyer," said Preschool Principal Gladys Runnels, "and see children playing on the playground through a window in the office." The centers in the Molly Hightower Activity Building were restocked and refurbished and a new fort for the three year olds was added to the playground. Cheerful murals were created in several rooms and new landscaping was put in behind the main building.

On the Harrell's Ferry Rd. campus, the most extensive improvement (a new sewer system and new software) isn't visible to the casual observer, but it's there. Due to the work on the sewer system, the perimeter of the elementary playground had to be changed, making the play area a little smaller but allowing room for a junior high "patio" area outside the fence and behind the lunch benches opposite the high school office.

Due to high enrollment in our harp program, the harp classroom was expanded by 40 percent, allowing 15 harps and harpists to comfortably fit into the space. Because of the change in the configuration of the harp room, strings students now enter their classroom through an outside door. A long awning was installed over the door to protect students when it rains. Plans are underway to extend the covered walkway system to the strings room door.

Above: During period A on the first day of class, Environmental Science students (from left) seniors Madison Davis, Taylor Morris, Jamie Claire Curry, and Ryan Jackson distribute recycle bins to classrooms and offices on the Harrell's Ferry Rd. campus. Above right: Elementary P.E. teachers Mary Camille Maddox (second from left) and Brent Lax (third from right, back row) gather up their first period students with the help of some friendly signage. Center: Students new to junior high get a tour of the campus led by eighth grade "ambassador" Mark Posthlewait. Right: Harp teacher Rebecca Todaro in her newly expanded harp room in the Performing Arts Classroom building.

IN MEMORIAM

Amanda Rachele Lambert, Runnels '05, died in Albuquerque, New Mexico, on Tuesday, July 25, 2012. She was 24 years old.

Amanda Lambert

While at Runnels High School, Amanda was active in the Junior Classical League, holding the offices of both president and secretary;

Senior Beta Club; Mu Alpha Theta; and the Leadership Club.

Amanda treasured her friends and loved to dance. A "Celebration of Her Life," with oral and video tributes, was held in Albuquerque in early August.

We extend our deepest sympathies to her mother, Ann Dalrymple, her father Ron Lambert, brothers, Alex and Aidan Lambert, and to all of her family and friends.

In lieu of flowers, please donate to your favorite charity or volunteer for a favorite charity in Amanda's name.

First Day in Focus

Fledgling third graders line up in the Drama Room on the first day of school before going to class. From front to

back are Andee Alexander, Wren Brumfield, Blaiklee Guillot, Omar Badawi, and Robby Harrison.

Golf Champions ... Taylor Kennedy and Grant Welch, who both played on the Runnels Golf team as freshmen last year, won individual titles at the 2012 BREC City Junior Championship held July 18 and 19 on the Beaver Creek Golf Course in Zachary.

Taylor shot 73-75 for a total of 148, and Grant shot 70-60 for a total score of 138. Grant finished nine strokes ahead the other 20 players in his 14- to 18-year-olds division.

Last spring, Taylor was named the 2012 Girls' Golf Outstanding Player of the Year, and both she and Grant were named to 2012 All-Metro Golf Teams.

Grant is the son of Judy and Eddie Welch, and Taylor is the daughter of Allyn and Gary Kennedy.

Golfing virtuosos Taylor Kennedy (left) and Grant Welch display the trophies they won at the BREC 2012 City Junior Championship.

Getting Involved With the RPO... Want to get to know other parents at our school? Got an itch to volunteer? Looking to get involved in fundraising events? Then it's time to contact the RPO.

Be sure to complete and return our volunteer form located on our new microsite at www.runnelsrpo.org or www.runnels.org under CONTACT for the Runnels Parent Org. page. A current list of officers, coordinators, calendar of events and much more are available on our new site.

Please join the RPO at our Fall planning meeting on October 2 at 7 PM in the elementary Drama Room. We'll discuss ideas to make our parties even better, library assistance, teacher appreciation projects and our new fundraising endeavor.

Last spring we completed phase two of our Lighten Up! fundraising project. This social event and silent auction with over 200 attendees and volunteers raised more than \$18,000. Together, we lit the exterior pathways on campus from the back by the Theater and Gym toward the front of the elementary building. Phase two also included lighting the entrance canopies and courtyards and updating many fixtures to energy efficient models around campus. We're grateful to all of the support from our volunteers, donors and attendees. *Save the Date*, March 9th, for the 2013 social event and fundraiser.

Call RPO president, Nicole Duet Latiolais, rpo@runnels.org, if you are interested in participating, or complete our volunteer form on the website.

Be sure to check out the new lights when you come to Open House. We'll see you then.

-- Nicole Duet Latiolais

Friends of the Animals... At Runnels, we try to offer students opportunities to reach out to others who need help in a variety of ways. Our

teams sponsor "Green Games," our clubs and classes hold food drives and work on service projects for diverse charities and organizations, and we offer students the chance to be involved in the St. Jude Research Hospital's Math-A-Thon, Jump Rope for the Heart, and the Marine Corps' Toys for Tots campaign.

This year, the Elementary Library staff has decided to adopt a focus that will help raise awareness about animals in need. Through the theme, "The Year of the Animal," our library staff hopes to inform young readers about the wealth of library materials relating to animals and animal welfare and ignite their interest in the plight of animals needing our help.

In addition to focusing on books about animals and animal care, the library will offer opportunities for children and their families to help needy animals in our community through the Friends of the Animals organization.

Currently, the library is collecting used towels, newspapers, and blankets for the animal shelter. Plans are in the works to build a colorful "dog house" to serve as a collection bin for items donated throughout the year. Watch library bulletin boards and the *Reporter* for updates.

Rebecca Todd (far left), Rachel Yura and Jasmine Felton perform the Vivaldi Concerto in D Major, 2nd movement with the String Orchestra in May.

Kudos to...

Rebecca Todaro, our Harp Choir Director, for her appointment to the Board of Directors of the American Harp Society this summer.

Rebecca Todd, grade 8, for contributing the "best concerto performance" in last April's harp class concerto competition. Harp Rally judge Megan Landfair awarded her the prize of performing the Vivaldi Concerto in D Major, 2nd movement (the piece all students played in the competition) with the String Orchestra at its spring concert in the Runnels Theater. Joining Rebecca on stage for the performance were her harp classmates Blair LeBleu, Jasmine Felton, Olivia O'Halloran, and Rachel Yura.

Family Directories Available at Open House

Remember to stock up on 2012-13 Runnels Family Directories when you attend Open House. Be sure to purchase enough copies (\$5.00 each) for your home, offices, cars, and kids! Any proceeds from sales of the directories will be used for classroom enhancements.
