

# Honors Art Supply List

## **Golden Taklon Brushes:**

Taklon is a type of synthetic filament that is easy to clean, and good for oil or water media.

The best sets will include a small round detail brush.

## **Prismacolor Blender:**

This is a colorless pencil used to blend and soften hard edges on colored pencil drawings.

## **Ebony pencil:**

With this pencil the artist can produce a full range of values, from the lightest gray to the deepest black.

### Stackable storage box:

These can be found in the sporting goods section. It should be no bigger than a shoe box. Any type will work.

Make sure the box is clearly labeled with your name! *I will have 3 shelves available for you to leave your supplies in the art room, so the box MUST be stackable and of a manageable size!*

### Kneaded Eraser:

Any brand will work as long as it specifies it is a kneaded eraser.

### Sketchbook:

This should be 5 X 7 or 9 X 12 and must be able to fit in a backpack. The spiral bound books usually last longer than the ones with glued binding. It doesn't matter if it's bound horizontally, or vertically.

### **Prismacolor pencils:**

These are the best colored pencils! I use them all the time for my personal art work. They come in different sets, try to buy the 24 pencil set, at least.

Prismacolor Scholar is a fine student grade pencil.

**Don't get Prismacolor Verithin.**

(Both Blick.com and Utrecht.com have great sales right now. Don't pay much more than a non-sale price of a dollar a pencil. Watch for sales.)

### **Plastic Palette:**

A palette with a snap-on or fold over lid is ideal for saving paint that is to be used again.

Make sure to write your name on the palette with a sharpie!

**Speedball Standard point dip pen:**

These are for drawing with ink, old school style! You may want to buy 2 or 3.

**Speedball Standard Pen Holder:**

This holds the nib!

**Good Places to buy supplies:**
